4

Enter the One-Time Password you received and click "Next" to continue.

The screenshot shows the 'SMS Verification Code' step of the registration process. At the top, the logo for '中国建设银行 (Asia) | Online Personal Banking' is visible. Below it, the title 'Register Online Banking Service' is followed by a progress bar with four steps: 1. Input Identity Details, 2. One-Time Password Verification (current step), 3. Specify Username and Password, and 4. Completed. The main form area is titled 'SMS Verification Code' and contains a text input field for the verification code. A red circle with the number '1' highlights this field. Below the input field, there is a note: 'Verification Code The code is valid for 100 secs. Please retrieve 59 seconds later.' To the right of this note, a message states: 'SMS Verification Code has been sent to 123****4 on 17:27'. At the bottom of the form, there are two buttons: 'Next' and 'Back'. A red circle with the number '2' highlights the 'Next' button, with a mouse cursor pointing to it.

5

Set your Username and Password.

The screenshot shows the 'Specify Username and Password' step of the registration process. At the top, the logo for '中国建设银行 | Online Personal Banking' is visible. Below it, the title 'Register Online Banking Service' is followed by a progress bar with four steps: 1. Input Identity Details, 2. One-Time Password Verification, 3. Specify Username and Password (current step), and 4. Completed. The main form area is titled 'Specify Username and Password' and contains several input fields: 'Username', 'Password', 'Password Strength' (a progress indicator), and 'Re-enter Password'. A red circle with the number '1' highlights the 'Username' field. Below these fields, there are two pre-filled fields: 'Phone Number' with the value '123****4' and 'Email address' with the value 'abc@e-mail.com'. At the bottom of the form, there are two buttons: 'Next' and 'Back'. A red circle with the number '2' highlights the 'Next' button, with a mouse cursor pointing to it. To the right of the form, there is a dashed red box containing two instructions: '1 Set your Username and Password, which will be used to access Online Banking and Mobile Banking Services.' and '2 Click "Next" to continue.' Below the form, there is a 'Tips' section with a small icon and text: 'Please use 8 to 16 characters in a combination of numbers and alphabets for your new Password (letters a-z, A-Z and numbers 0-9). Please note that alphabets are case sensitive. For security, do not use a password that is easy to guess, for example, your name, birthday or telephone numbers.'

6

You have successfully completed the registration procedure.

The screenshot shows the 'Register Online Banking Service' page for China Construction Bank. The page title is 'Online Personal Banking'. A progress bar at the top indicates four steps: 1. Input Identity Details, 2. One-Time Password Verification, 3. Specify Username and Password, and 4. Completed. A green checkmark icon is displayed next to the completion message: 'Dear Valued Customer, Your registration is completed. Thank you for choosing our Bank. Your username is: NWWW123123. You can logon to our Online Banking to enjoy the service now.' Below this, a table lists the mobile phone number used for registration: 'Phone No' is '12345678'. Three buttons are visible: 'Setup eStatement', 'Demonstration', and 'Logon to Online Banking'. A 'Tips' section at the bottom contains a note about service activation and security tokens, followed by three bullet points: '1. Funds transfer to unregistered third party accounts held with CCB/Minsheng', '2. Funds transfer to unregistered accounts of Other Local Bank', and '3. Funds transfer to unregistered accounts of Overseas Bank'.

Remark: Apart from applying online, you may also sign up for Online Banking Services at any of our branches.
